- Balance Sheets
- Cash Analysis
- Pooled Cash
- Statements of Revenues and Expenditures

The attached financials are presented in accordance with GAAP (Generally Accepted Accounting Principles) and on a Modified Accrual basis, as is typical of interim financials for county governments.

GASB 34 requires State and County Governments to convert their financial statements and present them annually on a Full Accrual basis. This conversion takes place after the year-end close and the Full Accrual Financial statements are provided to the outside auditors for the annual independent financial audit.

This interim set of financial statements is intended to give an overview of the financial condition of the county at this point in time. There may be adjustments within the budget to allocate resources, per court order, from one budgeted line to another after preparation of these documents. Further, adjustments to accounts presented in these financials may be performed if errors or omissions are discovered in subsequent accounting periods and could be posted to previous accounting periods as required to maintain proper accounting treatment.

If you have any questions relating to the financial statements provided in this packet, please contact the Erath County Auditor at 100 W Washington, Stephenville, TX 76401.
